Rockwood by Forest River

Ultra luxury for ultra light trailers.

This is what Rockwood brings to you. We have custom designed our trailers for the ultimate look and feel you expect when owning a Rockwood. Quality craftsmanship and attention to detail have been put into our trailers with you in mind. Take a look for yourself and see why we are proud to call ourselves Rockwood.

HARD WOOD
DOORS & DRAWERS

Rockwood is proud to bring you the highest quality doors and drawers that you would ever find in ultra-light trailers. Each door is a raised solid wood with matching drawers. Each drawer is fitted with metal guides that allow smooth operation along their tracks.

Rockwoods front profile design adds even more storage to the front bedrooms and now offers night stands at either side of the bed. And for those who can never find enough room, Rockwood offers a hutch at the foot of the bed in some of its bedroom models that provides ad ditional drawers for more storage.

831555 TRAVEL TRAILERS

The living area of the 8315SS is designed for a conversation area with the swivel chair opposite of the couch for guests. The entertainment center with optional 6+2 surround sound stereo is placed for excellent entertainment.

Take it all in. It's your vacation.

Kitchens can be tight in travel trailers, but not here. The Rockwood 8315SS floorplan makes this kitchen one of the most spacious kitchens of any ultra lite travel trailers in the industry.

The neo angle garden tub provides both options of a comfortable bath or a quick shower.
